## Our Packages

At Milltown Digital Productions, we understand how wedding costs can quickly add up. This is why we have three wedding packages - so you need not spend more than you have to.

All wedding packages include 3 DVD discs or 3 VHS cassettes (or a mixture of both depending on individual choice). These are personalized and presented in your choice of prestigious wedding case. Extra copies are available at an additional cost of £15-20 depending on your choice of case.

We will always endeavor to cater for individual requests wherever possible.

Please note that a £100 (€150) deposit is payable at the time of booking. Feel free to contact us for a demonstration of our work (under no obligation).
